

Answering America's Call

Every day, EADS helps keep our nation safe. Today we continue to deliver the UH-72A Lakota helicopter to the U.S. Army and Army National Guard—on schedule and within budget. Built in Mississippi, the Lakota allows our service members to successfully perform critical missions, including emergency medical evacuations, search and rescue response, and homeland security operations. For forty years, EADS has supported those who answer our nation's call, and will continue to do so for decades to come.
